EXPERIENCE

CEO, DESIGNER, WEB DEVELOPER 2009 – 2022
3 Dollar Templates

Built and maintained a leading Photoshop template company for photographers in the US for 13 years.

- Conceptualized, designed, and made market ready thousands of products including branding materials, social media graphics, greeting cards, albums, and easy-to-use mock-up templates.

- Built and maintained the Shopify e-commerce site.

- Handled all marketing — print ads, digital ads, and social graphics as well as content.

WEB DEVELOPER / DESIGNER 2021 – Present
Clean & Green

Created all branding, as well as designed, developed, and maintained a billboard website that consistently receives daily inquiries resulting in new weekly or bi-weekly clients when within the service area.

WEB DEVELOPER / DESIGNER 2021 – Present
Cameron Home Inspection

Created all branding/marketing materials and developed an online system for billing, obtaining digitally signed inspection agreements, and delivering digital inspection reports.

- Designed, developed, and maintained billboard website including custom inspection rate calculator.
